

About the Tasting

For us, food is never far from wine and wine is never far from food. Pairing food with wine is a gratifying adventure. Each bite has been thoughtfully accented with GC Napa Valley Culinary herbs from our organic estate gardens to highlight each wine.

WELCOME TO THE O'CONNELL FAMILY WINES PRIVATE VIRTUAL TASTING

"Wine Is a Lifestyle"- Gabrielle & Wayne O'Connell, Vintners

O'Connell Family Wines is a family owned boutique winery in Napa Valley located on an original vineyard site dating to the 1850s, when it was named best vineyard land by the California Agricultural Society (California Dept of Agriculture today). The historic vineyard thrived until Prohibition. Gabrielle & Wayne O'Connell replanted it in 2000. Its recognition as an elite vineyard was reconfirmed when the first O'Connell Family Vineyards OCFV Cabernet Sauvignon won double gold, then more golds and a 97 Robert Parker rating. Gabrielle's Gabrielle Collection focuses on Cabernet Sauvignon. Wayne's Pietro Family Cellars (named after winemaker and grandfather Pietro) offers a selection of white wines, Pinot Noir and red blends.

For us, wine is the inspiration for a life well-lived. It begins with our certified organic farming practice, enhanced by a bio-diverse environment that supports the health of our vineyards naturally by providing beneficial bugs, birds and bees. Our mindset of prioritizing the health of our soils inspires how we engage with life: organic foods, purity of personal care and home products. Great soils create great wines, ready for family and friend celebrations. Delicious herbs, fruits and vegetables harvested from our vineyard gardens are the foundation of GC Napa Valley Culinary, Home, Spa, Pooch products which contribute to an elevated lifestyle of gratitude for the bounty from a well-cared-for environment. We look forward to sharing this with you in our tasting.
